

## TRANSPORTATION OF NONSCHOOL GROUPS

Only in unusual circumstances will the board make school district transportation vehicles available to local nonprofit entities, which promote cultural, educational, civic, community, or recreational activities for transporting to and from nonschool-sponsored activities in the state.

In the event school district transportation vehicles are made available to local nonprofit entities, it will be the responsibility of the superintendent to develop administrative regulations for application for, use of, and payment for using the school district transportation vehicles.

School district vehicles will not transport non-school groups outside the state of Iowa.
